

SECTION II

The undersigned hereby certifies the accuracy of the manufacturer's description in the attached information document of the vehicle(s) described above ((a) sample(s) having been selected by the EC type-approval authority and submitted by the manufacturer as prototype(s) of the vehicle type) and that the attached test results are applicable to the vehicle type.

1. For complete and completed variants:

The vehicle type meets the technical requirements of all the relevant regulatory acts as prescribed in Annex IV to Directive 2007/46/EC except the national alternative requirements according to article 23 listed below.

Regulatory act reference	Item number	Kind of approval and nature of exemption	Applicable to variant, or if need be, to version

3. The approval is granted.

5. According to Finnish national legislation and Annex XII of Directive 2007/46/EC the maximum number of vehicles of this type to be registered, sold or put into service per year in one Member State is **500 vehicles**.
